ORDER :

In the G.O. 1st read above, orders were issued according administrative approval for Rs.4300 Crores for Stage-II works of Phase-I works of Chittoor District Drinking Water Supply Project towards the cost of Main Trunk Line and Secondary Trunk Lines.

2. In the G.O. 2nd read above, orders were issued among other things constituting Technical Evaluation Committee and Tender Committee for taking technical evaluation and approval of the LS mode of tenders respectively. It is also directed in the G.O. that the Tender Committee shall decide the quantum of mobilization advance for the works with a ceiling limit up to 10%. Suitable conditions for payment of mobilization advance and recovery of mobilization advance along with interest shall be laid down in the Standard Bid Documents.

3. In the letter 4th read above, the Vice Chairman & Managing Director, Infrastructure Corporation of Andhra Pradesh Limited (INCAP) has reported that tenders were called for 10 out of 13 packages and technical evaluation committee met on 10th 11th and 20th of December, 2013 and finalized the technical evaluation of the tenders received. The minutes of the Technical Evaluation Committee have been placed before the Tender Committee for approval and permission to open price bids. He has further reported that the Tender Committee met on 31-12-2013 and approved the minutes of the Technical Evaluation Committee and that price bids of the technically responsive bidders were opened in the meeting. While enclosing a copy of the minutes of the Tender Committee Meeting held on 31-12-2013, the VC&MD, INCAP has requested the Government to take further necessary action in the matter.

4. As seen from the minutes of the meeting held on 31-12-2013 the Tender Committee examined the Technical Evaluation Report placed before it. The Committee has examined the (10) packages placed before it out of the (13) packages. After detailed discussions the Tender Committee has opened the price bids of responsive bids. It is observed that in (8) out of (10) packages, there are more than one responsive bids. In the case of package No.V, two bids were received and one got disqualified due to insufficient physical quantities. The responsive bid is 0.02% less than ECV. Similarly, three bids are received for Package XI and two bids got disqualified due to insufficient physical quantities. The responsive bid is 2.99% excess over ECV.

5. As the entire tender process is on e-procurement mode the Committee recommended to accept lowest responsive bids (L1) for all (10) packages as mentioned below:
